

Science Alphabet Book/Project

Problem: To create/design an ABC Book about the pollinator garden that is informative and interesting to read.

Book Criteria:

- ✓ Your book will have 26 pages (one for each letter of the alphabet).
- ✓ Your book will need a front and back cover. The front cover will need a title and the name of the author /illustrator.
- ✓ Each page must include a science term, concept or theme that will increase the reader's understanding of the plants and/or animals of the garden.
- ✓ Each page of your book must be illustrated (picture, graph, or chart, etc.).
- ✓ All illustrations must be in color using colored pencils.
- ✓ Grammar and spelling count. Copy your scientific terms carefully.
- ✓ Descriptions of the plant or animal must be:
 - done using appropriate scientific terms
 - scientifically accurate
 - creative! (*Have fun!*)

Creativity and neatness count!
