

Paragraph A Week

Due Friday

Each week you are asked to complete a writing assignment. You are expected to write at least 7 sentences pertaining to the topic. (You may write more to get a better grade.)

Please give your paragraph a title. Put your heading in the upper right hand corner.

Remember to:

- ❑ use complete sentences,
- ❑ correct capitalization,
- ❑ correct punctuation,
- ❑ topic and concluding sentences,
- ❑ sentences with supporting detail,
- ❑ and accurate spelling.

Topic: Describing Your Pollinator Garden

For a Paragraph A Week this week, you need to write a description of your pollinator garden.

Pretend that you are describing it to someone who has never seen a pollinator garden like yours. Include plenty of figurative language including at least one simile in your description.

Work on using just the right word – no “dull” words, like “nice” or “pretty” or “little”. *Include this unit’s vocabulary words in your paragraph.*

Write a sloppy copy. Revise and edit carefully prior to writing your final copy. Remember to give your paragraph(s?) a title. **Turn in all copies – rough draft to final copy - of this assignment.**
